## Grease Waste Hauler Agreement

---

Company Name

Phone Number

The above named company agrees to the following requirements:

- To remove all contents from all grease interceptors and grease traps serviced, pumped, or cleaned. This includes FOG (fats, oils, and grease), food solids, and the water portion of the interceptor or trap
- To provide a manifest or record of service to the food service establishment to include: establishment name and address, service date, and volume pumped (in gallons)
- To provide written documentation to the food service establishment management of any problems or defects found in the grease interceptor or grease trap (e.g. missing influent-T or Effluent-T, holes or cracks, deterioration of the equipment, overflowing FOG at the effluent-T, no access to all interceptor chambers, or any obvious problems)
- To provide the Water Authority of Dickson County Pretreatment Department a monthly list of all food service establishments serviced. The monthly report is due by the 7th day of the following month. The report may be mailed to Water Authority of Dickson County Pretreatment Department 1198 Rock Church Rd., Dickson, TN 37055 or emailed to [nhopkins@wadc.us](mailto:nhopkins@wadc.us).
- To provide proof of insurance coverage

In signing this agreement, I understand that failure to comply with any of the above statements will result in the removal of the company from the approved list of grease waste haulers for a minimum of 1 year.

I certify that I am an authorized representative of the company and have read and understand the requirements as stated above.
